Description

Important Current Affairs- 13 January 2025

National News:

- India's External Affairs Minister, **Dr. S. Jaishankar**, will attend the swearing-in of **Donald Trump** as the 47th U.S. President on January 20, 2025. This marks Trump's second term and highlights ongoing India-U.S. engagement, with both nations seeking to deepen their partnership.
- Union Minister **Sarbananda Sonowal** launched the **National River Traffic and Navigation System (NRT&NS)** on January 11, 2025, aiming to enhance the safety and efficiency of **inland waterway transport**.
- **India** is set to sign an MoU with **Mongolia** to enhance cooperation in geology and exploration aiming to secure essential resources like **copper** and **coking coal**. This partnership will help diversify India's supply sources reducing dependence on traditional suppliers and strengthening industrial sectors.
- **Bangalore Medical College and Research Institute (BMCRI)** has been chosen by the Indian **Council of Medical Research (ICMR)** to set up South India's first **Infectious Disease Research and Diagnostic Laboratory (IRDL)**. The lab will focus on diagnosing infectious diseases caused by bacteria, fungi.
- The Indian economy is projected to grow by **6.6 per cent in 2025**, according to the **United Nations' World Economic Situation and Prospects** report. This growth is supported by strong private consumption and investment. The report maintains its previous growth forecast, reflecting confidence in India's economic resilience. The public sector plays important role in funding infrastructure projects. These projects enhance physical and digital connectivity and improve social infrastructure, including sanitation and water supply.
- The **INROAD (Indian Natural Rubber Operations for Assisted Development)** project is making progress in the North East of India. Launched with a financial backing of **₹100 crore**, the initiative aims to enhance the quality of natural rubber produced in the region. This funding will facilitate skill development for rubber growers and the establishment of model infrastructure.
- **Madhya Pradesh** has revealed the **PARTH Yojana**, aimed at empowering youth for **careers in defence and law enforcement**. This initiative, introduced by **Chief Minister Mohan Yadav** during the State-Level Youth Festival, focuses on enhancing physical and mental preparedness. The scheme seeks to instil patriotism and employability among the youth, facilitating their entry into the Indian Army, police, and paramilitary forces.
